2009

## Paul Tudor Charity Golf Cup 2009

**The generosity of Northamptonshire County Golf Club along with many local businesses, friends and family of the great man, Paul Tudor, Senior Partner of Underwoods Commercial, resulted in a golf day like no other!**

Paul, fighting cancer since December, kindly booked the glorious sunshine for the October 14th competition in aid of the MacMillan Nurses who are supporting Paul and his family.

An incredible 22 teams signed up in less than 6 weeks to show support to the man who has given to so many over the years. No rain, no wind and an outstanding course gave no excuses but they came flooding in with lack of play, lack of bunker management, three off the tee, three putts and the need for the tree iron... special mention to Keith Bowan of Phipps Henson McAllister!

The Winning Team - 100 Holers

In third place of the top teams of the day were ‘Surveyors Rock’ with Captain Duncan Slinn and colleagues Gary Hoffman, Ian McRae and Simon Rutherford with 78 points, nudged out of second place by the Business Times team, ‘The Headliners’ with Captain Tony Rowan and Martin Harris, James Hallwood and Nigel Thomson scoring 79 points.

With an incredible 89 points, the '100 Holers' with Captain Roy Martyniak, Phil Smith, Ian Wilson and Mark Jennings won Paul's Charity Golf Cup receiving deserved applause (and laughter) in the evening's celebrations. The team generosity (or embarrassment?) of the '100 Holers' saw them gift the first prize week's holiday to Portugal back into the auction which Ian Leather of Lambert Smith Hampton later won.

The evening celebration had another forty friends and family join for the meal, prize giving and auction and to say 'Hello' to Paul. Unfortunately Paul was unable to attend but speeches flowed with the wine from Paul's brother, Peter, with Stephen Church of Church's China, Ian Boulter of Underwoods and Club Captain David Green giving stories of laughter, love and further recognition to Paul in his fight against cancer.

Alan Spooner of Business Times, and Ben Thomas of BMT Marketing supported by the gorgeous Sam of Underwoods, provided a 'lively' auction which with support from the Club, local businesses, donated prizes, and friends raised a staggering **£10,000!**

Jon Thorpe said, "Paul always says you have to 'Smell the Flowers' and many golfers did just that... some outstanding golf and some entertaining golf made for a great day and evening. Raising three times the money we originally set out to achieve speaks volumes about the love for the man, his family and the support of local businesses and friends. This money will go some way to help the incredible work of the MacMillan Nurses and the families they support!"

**Special recognition to Lisa Ross, acs office solutions, for organising the event along with a special lady, Paul's wife Jean, Roy Martyniak, Alan Spooner, Ben Thomas and Charles Ward Photography.**

Once again, to all those who made for a very, very special day that we will never forget, THANK YOU!

Lisa, Roy and Jon

On behalf of Paul, Jean, family and friends.
